Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Paris, Ontario is located at the Forks of the Grand, where the Grand and Nith Rivers meet. It was first settled by Hiram Capron who came to Norfolk County in 1822 where he helped to establish one of Upper Canada's first iron foundries. In 1830 he constructed a grist-mill and named the town after the gypsum deposits that were mined nearby. Gypsum is used to make plaster of Paris. Paris is often referred to as the cobblestone capital of Canada because of the many cobblestone buildings that are still found in the town. Cobblestone architecture refers to the use of cobblestones embedded in mortar to erect walls of houses and commercial buildings. We often make a trip to Paris to wander the streets, visit the shops and have a cup of coffee at Tim Horton's. Glen Morris is located on East River Road, Brant County Road #14. The German Woolen Mill was built in 1867 and operated for several years. The Glen Morris General Store is located on Princess Street. Glen Morris is located about 22 kilometres northwest of Brantford, 11 kilometres southwest of Cambridge, and 11 kilometres northeast of Paris. My great grandmother, Elizabeth Carter Cromwell, is buried in Glen Morris Cemetery.
