HarperCollins Publishers, United Kingdom, 2010. CD-Audio. Book Condition: New. Abridged edition. 144 x 138 mm. Language: English . Brand New. READ BY PETER MANDELSON. The hotly anticipated memoir of one of New Labour s three founding architects. READ BY PETER MANDELSON. Peter Mandelson is one of the most influential politicians of modern times. The Third Man is his story -- of a life played out in the backroom and then on the frontline of the Labour Party during its unprecedented three terms in government. Much of the book is devoted to the defining political relationships of Peter Mandelson s life -- with Tony Blair and Gordon Brown. Charting what he terms the soap-opera years of the Labour government, his book is certain to ruffle many feathers. Containing a mixture of autobiography, personal reflection and political history, The Third Man draws heavily on detailed diary notes that Peter Mandelson took during the events, discussions and meetings that shaped the government and the Labour Party over 25 years. He began writing the book while serving as European Commissioner, and has been completing it since leaving office in May. Much has been written about Peter Mandelson as the person at the heart of the New Labour project but this is the first time we have heard the unvarnished truth from the man himself. The Third Man is set to become the most talked about political memoir...
