Wayne M. Thomas, United States, 2012. Paperback. Book Condition: New. 230 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Adapt to changes in life by continually learning and trying new ideas 6. Take advantage of the conveniences and opportunities of the age 7. Work deliberately Interestingly, there are striking parallels to America 150 years ago. They were worried about an environmental warming crisis. They were worried about ever growing, big spending national government. They were living through a huge real estate bubble that popped and took half the banks with it because of...
