

An Introduction to Old Order and Conservative Mennonite Groups: People's Place Book No. 12

Filesize: 2.2 MB

Reviews

This is the finest book I have got go through right up until now. I have got read and I also am confident that I am going to planning to read once again yet again in the future. You will not truly feel monotony at any time of the time (that's what catalogs are for about if you check with me).

GOOD BOOKS, 1996. Paperback. Book Condition: New. Original ed.. 216 x 141 mm. Language: English . Brand New Book. A leading scholar introduces and explains the history, lifestyle, customs, and beliefs of both the Old Order and the Conservative Mennonites--two growing separatist movements of Mennonites in North America today. Full of anecdotes and photographs. This book tells a story which until now has not been available in such an interesting and comprehensive form. What holds these people together? Why are they growing in number? Where do they live? The Old Order Mennonites are less well known than the Amish, but are similar in many beliefs and practices. Some Old Order Mennonites drive horses and buggies. Others use cars for transportation. Conservative Mennonite groups vary a great deal, but in general espouse strong faith and family life and believe that how they live should distinguish them from the larger society around them. The author details courtship and wedding practices, methods of worship, dress, transportation, and vocation. Never before has there been such an inside account of these people and their lives. The author spent years conferring and interviewing members of the various groups, trying to portray their history and their story in a fair and accurate manner. An enjoyable, educational, inspiring book.
