### Reviews

*Completely essential go through book. This is for all who statte there had not been a worthy of reading through. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## OUR SECRET LIFE IN THE MOVIES

[DOWNLOAD](#)

Strange Object, United States, 2014. Paperback. Book Condition: New. 190 x 127 mm. Language: English . Brand New Book. Fiction. Film Studies. A whip-smart fiction debut, OUR SECRET LIFE IN THE MOVIES riffs on classic and cult cinema. Inspired by films from silent-era documentaries to music videos, the authors unfold a dual narrative about two boys growing up in the 1980s. Coming of age during the last days of the Cold War, these boys dream of space exploration and nuclear winter, Reaganomics and Dungeons Dragons, Blade Runner and Red Dawn. Haunting, cinematic, and full of life, OUR SECRET LIFE makes it clear that we are in the movies and the movies are in us. Wildly intelligent and deeply felt, OUR SECRET LIFE IN THE MOVIES gives us a fascinating look at American life, shot through an insightful and compassionate lens. After reading it, the world seems bigger. A tremendous book. --Molly Antopol Reading OUR SECRET LIFE IN THE MOVIES is like finding a lost frequency on the AM dial. The voices you hear in this book are strange, hypnotic, and intensely American. --Jim Gavin A book of poignant and affecting beauty. Readers are presented with characters who are losing their innocence in lockstep with the changing nation they inhabit, and the end result is a book that provides great insight into both who we are and how we got this way. A remarkable achievement. --Skip Horack.
