This book is a very important work for its time in a day and age of cultural alienation and ethnic identity theft. It addresses broad-sweeping parenting issues from a proactive culture-specific perspective. It is an excellent merger of cutting edge scientific data, day to day pragmatism, and cultural legacy. The tone of the book compels the reader to remain engaged long enough to acquire new insights and skills valuable for being a formidable parent. This item ships from La Vergne, TN. Paperback.
