Treat your Skin to a Clean and Healthy Natural Cleaning Soap is one of most the essential cleaning products. It effectively removes dirt and oil that water alone cannot. Dirt and oil as well as bacteria on the skin surface can be cleaned when using soap. Some soap also leaves the skin nourished and moisturized. Also with Two complete Bonus chapters with information you can use right Now! There are lots of commercial soaps available on the market today. While some are mild and good to use on the skin, there are products that contain harsh chemicals that can be irritating. Some soap can leave residue on the skin, causing dryness and irritation. A good way to thoroughly clean and, at the same time, nourish the skin, without the harmful chemicals is by using herbal soaps. The good news is you can make your own natural herbal soap at home. And as bonus, you get to learn how to make liquid soap. There are also several recipes in this book to help you get started on soap making. You also learn how to make the following kinds of soap You can also use these homemade herbal soaps as gifts and giveaways. You can also turn this into a money-making idea. In this book, you will learn the following: History of soap and soap making Modern process of making soaps Basic soap ingredients Additives used on soap such as fragrances Cold process method of making soap Hot process method of making soap Melt and pour method using glycerin soap base And as bonus, you get to learn how to make liquid soap. There are also several recipes in this...
