Createspace, United States, 2015. Paperback. Book Condition: New. 254 x 203 mm. Language: Spanish . Brand New Book ***** Print on Demand *****.La serie Opera en Espanol presenta Giuseppe Verdi: Nabucco (libreto por Temistocle Solera). E.Enrique Prado A. proporciona una introduccion, sinopsis y linea por linea traduccion en espanol para estudiantes y aficionados a la opera. Originalmente la opera se presento con el nombre de Nebuchadnezzar, y recibida con gran entusiasmo por el publico. En 1842 el norte de Italia aun se encontraba bajo la dominacion de Austria. En forma un tanto significativa, Nabucco comienza con una invasion y termina con una victoria, es decir que puede pensarse que Verdi la escribio a manera de profecia, la cual se cumplio pocos anos despues cuando Italia recupero los territorios invadidos. Nabucco no esta dividida en Actos sino en Partes. Esto no fue por casualidad sino que se hizo asi para obtener cuatro cuadros diferentes que tomados juntos integran un panorama con caracteres vistos desde diferentes puntos de vista y en diferentes contextos. En obras posteriores, Verdi se propuso incitar a la audiencia a pensar, pero en Nabucco, Verdi quiso que los espectadores saltaran de sus asientos y gritaran con patriotico entusiasmo. The Opera en Espanol series presents Giuseppe Verdi: Nabucco, from the libretto by Temistocle Solera. E.Enrique Prado A. provides an introduction, synopsis, and line-by-line Spanish translation for opera aficionados and music students.
