Essentials You Have To Know For Pleasant Working With New Windows Version Book#1: Windows 10: What s new? Learn To Use All The Facilities Of Windows 10 It seems as though there is always a new upgrade available when it comes to technology, and Windows is holding its own with the times! Introducing Windows 10. the latest and greatest Windows available to PCs across the globe. There is a lot of excitement surrounding this new release, as everyone is awaiting the new and improved, the faster and shinier, and the latest and greatest things that Windows has to offer. But with those new features, there also comes a fair share of confusion for the users, whether it be new users or the faithful customers alike. Windows is a fantastic operating system, but one thing that it does stay with consistent with is that it likes to change and expand. While there is absolutely nothing wrong with this change, users need to be able to keep up with it and know what to do in order to use their systems effectively. That is what this book is about. teaching you what is new about Windows 10, and showing you how to use it in the most effective way possible. You are going to learn how to use the system as well as any professional, and in no time at all you will be back to using your computer as you have been for years. There is a lot to learn with the new setup, but don t worry, with a little guidance, you are sure to pick up on...
