Beneath the apple blossoms, it's almost as if she has a real family—but her secret won't stay buried forever. James, scarred from an explosion, didn't expect to connect to the pretty young traveler. Could she really love someone damaged like him? He knows she's hiding something. If only she'd trust him. Can she let go of her past and believe in the possibility of a future amid the apple trees?.

Reviews

This book is definitely worth acquiring. I have gone through and so I am certain that I will likely to read through again again in the future. It's been printed in an exceptionally basic way in fact it is only after I finished reading this publication in which actually altered me, change the way in my opinion.

Comprehensive guide for publication fanatics. This really is for all who state there had not been a well worth reading through. I discovered this ebook from my dad and I encouraged this book to find out.
