University of Excellence Press, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The message in this book is extremely important for you . not only for your personal life, but also for economic decisions . and for your future. Life is full of options. Sometimes you need to make decisions with the facts in hand. Things are pretty clear-cut. It is just a matter of which option is better for you. However, there are times when you need to make a decision that is more subjective . and one that is critical. There are, and will be, many things - stressful things - which will push and pull on you from different spheres. Do NOT be tricked into making a bad decision. No matter how successful you are . you could still make a bad decision. I want to help protect you so that you can live a peaceful, happy and productive life. What you are learning in this book has cost me dearly in terms of money, confusion and time. It is my prayer that you will learn from it - put it into practice - and NOT suffer consequences keeping you from advancement in INCREASE and GREATNESS for yourself and for others . and especially for the LORD. Say Goodbye to frustration and confusion. From now on you can Know for Sure! You will want to use this book, also, as a guide for global economic shifts in the uncertain waters ahead . and for a changing world.
