

The Philippines and Filipinos: A Treatise on the History, the Civics, and the Mathematical, Physical and Political Geography of the Philippine Archipelago (Classic Reprint)

By O W Coursey

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Philippines and Filipinos: A Treatise on the History, the Civics, and the Mathematical, Physical and Political Geography of the Philippine Archipelago My former book, entitled History and Geography of the Philippine Islands, having met with such favor at the hands of the public that a second edition of it became necessary, I felt encouraged to write this one. The other book was written in 1903; this one, in 1914. This interval of eleven years has witnessed such an unprecedented, and, I might add, truthfully, such an unexpected, era of industrial and commercial development in the Philippines, under the sovereignty of the United States, that we now see them in a new perspective. Although a great deal of the information contained in this book was collected from among the archives of Manila, by myself, while I was on soldier duty in the Islands, yet I wish publicly to announce my obligations to the Department of Insular Affairs, Washington, D. C., for very valuable assistance rendered in furnishing to me a large number of public and...

Reviews

This sort of ebook is every little thing and got me to hunting in advance and a lot more. It is written in easy words rather than hard to understand. You wont sense monotony at whenever you want of your respective time (that's what catalogues are for concerning when you ask me).

-- Dr. Fae Walsh

This book could be really worth a read, and superior to other. It is written in simple terms and not confusing. You can expect to like how the blogger create this ebook.

-- Alanna Carter I
