Given the right circumstances, even the most peaceful people will do whatever is required to protect those they love. Everyone has a breaking point, a line you should not cross. Asia, once a kind woman with a gentle spirit, had reached hers. After years of waiting and searching for true love, she thought she had finally found happiness, only to see it shatter right before her very eyes. The treachery that spawned such maliciousness was enough to drive anyone insane. What events could have possibly transformed such a kind soul into a judge, jury and potential executioner? Was it money, power, or something much stronger? Some say love has a way of changing a woman's heart deep within, and for the right person, she might do just about anything, even kill. Come on in and take a look. What happens inside will surprise you.
