Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.John Milton is a former assassin for the British government. He is a ronin, trying to atone for his past sins by offering his services to those people who have no-one else to whom they can turn. Milton is keeping a low profile in London when he meets Eddie Fabian. Fabian confesses that he is considering suicide, and that the reason for his depression was the abuse that he suffered as a child. Milton offers to help, but, before he can, Eddie is found dead in circumstances that Milton considers suspicious. And then events take a turn that no-one could have anticipated. Milton's attempted good deed becomes a quest to unveil corruption at the highest levels of government and murder at the dark heart of the criminal underworld. Milton is pulled back into the game, and that's going to have serious consequences for everyone who crosses his path. Prepare yourself for another hair-raising, heart-pounding adventure from the new master of the thriller. With over one million downloads and thousands of five star reviews, if you haven't read Mark Dawson yet, what are you waiting for? Don't start this book at night if sleep is important to you.
