## THE SHAMANIC WAY OF THE BEE: ANCIENT WISDOM AND HEALING PRACTICES OF THE BEE MASTERS

[DOWNLOAD](#)

Inner Traditions Bear and Company, United States, 2006. Paperback. Book Condition: New. 2nd Revised edition. 226 x 152 mm. Language: English . Brand New Book. Bee shamanism may well be the most ancient and enigmatic branch of shamanism. It exists throughout the world--wherever in fact the honeybee exists. Its medicinal tools--such as honey, pollen, propolis, and royal jelly--are now in common usage, and even the origins of Chinese acupuncture can be traced back to the ancient practice of applying bee stings to the body's meridians. In this authoritative ethnography and spiritual memoir, Simon Buxton, an elder of the Path of Pollen, reveals for the first time the richness of this tradition: its subtle intelligence; its sights, sounds, and smells; and its unique ceremonies, which until now have been known only to initiates. Buxton unknowingly took his first steps on the Path of Pollen at age nine, when a neighbor--an Austrian bee shaman--cured him of a near-fatal bout of encephalitis. This early contact prepared him for his later meeting with an elder of the tradition who took him on as an apprentice. Following an intense initiation that opened him to the mysteries of the hive mind, Buxton learned over the next 13 years the practices, rituals, and tools of bee shamanism. He experienced the healing and spiritual powers of honey and other bee products, including the flying ointment once used by medieval witches, as well as ritual initiations with the female members of the tradition--the Mellisae--and the application of magico-sexual nektars that promote longevity and ecstasy. The Shamanic Way of the Bee is a rare view into the secret wisdom of this age-old tradition.
