Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Cart of Many Colors a Story of Italy Dear Schoolmate: - There is no need to ask you why we have an Italian story in the Schoolmate Books. I can already hear you saying: Because an Italian discovered America, - Christopher Columbus, a Genoese, in 1492. And also because America takes its name from another Italian, - Amerigo Vespucci, a Florentine, who followed Columbus across the ocean in 1499. Yes; you know your lesson very well. These are surely the best of reasons for having an Italian story in our series. But they are not the only ones. Columbus and Vespucci are not the only Italians who ever discovered America. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
