This may be because the business needs capital to grow or because the owner wants to covert equity into cash: but the decision remains the same. With such a difficult, emotional process - often the most important economic decision business owners will ever make - it can pay large dividends to get experienced advice. In this comprehensive, fully updated guide two experts take the reader step-by-step through the entire process. From how to determine when is the right time to sell, to valuing a company, to negotiating the final terms, every issue is dealt with. There are real life case studies that show how individuals dealt with the complex issues involved and an appendix containing a sample purchase agreement, confidentiality agreement, and other important documents.
