A quick search on Google or Amazon will reveal plenty of material, mostly written by profs, or deans, or counselors, or trusted experts, or graduating students. Not this book. Here, you'll find hundreds of students, mostly in their first year, telling stories about how it feels, as it happens. Some wise, some crazy. Some funny, some serious. Some sad, some scary. Advice: well yes, but like everything in this book, actually written by students for students, from their own experiences. Hundreds of stories in their own words. More than 200 voices. A worthwhile read for students, parents, teachers, counselors. The accompanying website has 130 more pieces, accessible from inside the book.
