Let yourself come undone with me. Be as bad as you want to be. Jaxson knew now looking back at his feelings that she had gotten under his skin. Even then, although he hadn t wanted to admit it he had loved her, wanted her. He had never felt this way before about any woman. That is why he had taken care of Mia when her parents had died. Stayed with her even though he had never physically slept in a bed with a woman. Something too intimate for him to do. So many of those nights he had spent with her holding her after making love he had watched her sleep, listening to her breathe wanting the moments to never end. Trying to figure out how to be with her, give her what she wanted and make her happy when he thought he would never get married and have children of his own. Then a stalker goes after Mia wanting to replace her in Jaxson s life. How does he protect the woman he loves? I like that bad girl side of you. You look so sweet and innocent. Then I get you in my bed and you become this naughty little thing I can t control. I love it, he whispered. Jaxson nibbled at the soft curve of her neck. You ve been good for me Mia.
