

Speed Reading: Quadruple Your Reading Speed in an Afternoon. (How to Read Fast, Reading Speed Improved)

By Bill McDowell

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Speed Reading. Quadruple Your Reading Speed in an Afternoon It is an unfortunate truth that our society still has a very conservative view when it comes to learning and education. Most of us think that reading slowly and carefully will help a learner absorb information at a fast rate. However, recent studies show that this is not true. The human brain is capable of processing information at a very high speed. However, reading slowly and carefully does not maximize the high-speed capacity of the human brain. The important thing now is to learn how to increase your reading speed in order to match your brain capacity. Imagine all the information you can absorb if only you know how to read faster! This book will help you quadruple your reading speed in an afternoon through proven speed reading techniques. Many of us take reading for granted, but it is actually a skill that we use every day. If you really want to be a productive and efficient at work, you must unlearn your old reading ways in order to...
