University of Pennsylvania Press, United States, 2015. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book. During the last three decades of the twentieth century, evangelical leaders and conservative politicians developed a political agenda that thrust family values onto the nation's consciousness. Christian right political campaigns and pro-family organizations drew on conservative evangelical beliefs about men, women, children, and authority. These beliefs-known collectively as family values-became the most important religious agenda in late twentieth-century American...
